

Usborne “Reach for the Stars” Read-a-thon Program & Book Fair

Archway Trivium West is sponsoring a Reading Challenge beginning Friday, October 5. This is not a mandatory program and participation is not required, we just want to promote a fun way to encourage reading over fall break and build excitement for the book fair!

We will continue the friendly grade level reading competition. For grades 1-5, the PSO will reward the scholar who reads the most minutes in their grade level with a book of their choice at the book fair! Additionally, the top 3 readers in each grade will also be featured in the school yearbook. All minutes spent reading during the 10 days can be added to the reading log. The minutes will add up quickly! *Kindergartners are allowed to participate as well, but since reading is often done by or with a parent, they are not competing grade wide.

New this year, the classroom with the most participants will be rewarded with a popcorn party by the PSO! Encourage your classmates to participate!

The Read-a-Thon will be held October 5 - 14. The Usborne Book Fair will be held in the school library on November 14 & 15 during school hours. Details to follow at a later date.

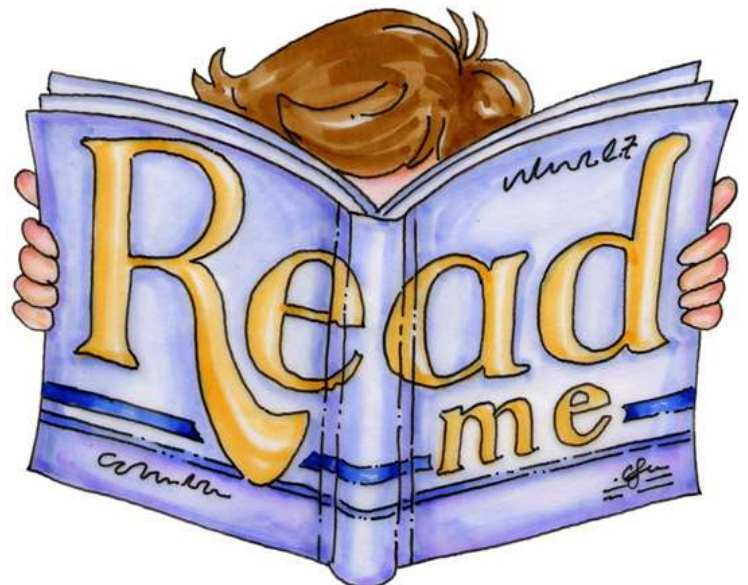

The Reading Log and Pledge Sheet will be sent home with the scholars the week of October 2 and will be available on the school website. Pledges are not required in order to participate in the Read-a-Thon, all scholars are able to compete for the book reward and recognition in the yearbook, as well as the classroom popcorn party.

Please turn in reading logs and any pledge money collected to the front office no later than 12:00pm on Friday, October 19.

If students do not choose to participate in the Read-A-Thon, they will be able to attend the Book Fair with parent’s permission.
